RE: Second Alternate Unit Well
C Sand, Reservoir A, SUB
BAYOU PIGEON FIELD
Iberia Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Castex Energy, Inc. for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the C RA SUB, located in the Bayou Pigeon Field, Iberia Parish, Louisiana, created by Office of Conservation Order No. 387-P-2, effective May 1, 1965.

1. To designate the Castex Energy, Inc. - Brownell-Kidd No. 2 Well (S.N. 226429), located in Section 18, Township 12 South, Range 11 East, in the Bayou Pigeon Field, Iberia Parish, Louisiana, as an alternate unit well.
2. To consider such other matters as may be pertinent to this application.

The designation of the well, as the second alternate unit well, is necessary and in the interest of conservation to efficiently and economically drain a portion of the C RA SUB which cannot be efficiently and economically drained by any existing well within such unit.

The C Sand in the Bayou Pigeon Field, Iberia Parish, Louisiana, was fully defined in Office of Conservation Order No. 387-P-2, effective May 1, 1965.

There is attached hereto and made a part hereof a plat outlining the C RA SUB, the present unit well, the present alternate unit well, and the proposed second alternate unit well. Pursuant to the Revised Rules of Procedure, a list of names and addresses of the Interested Owners, Interested Parties and Represented Parties to whom this application is being sent is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list will be provided to any party requesting a copy. A diligent effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties as required by the Revised Rules of Procedure.

Finally there is enclosed our check on behalf of the applicant, Castex Energy, Inc., in the sum of \$700.00 payable to the Office of Conservation and representing the required hearing application fee.

Sincerely,

LEON E. COMEAUX & ASSOCIATES
